

**Scott Matthews**  
**Managing Director, Asset Management**

Scott Matthews is a Managing Director at BentallGreenOak with responsibility for leading the office sector asset management team, comprised of 17 professionals. Scott's team is responsible for the asset management of the U.S. office portfolio, consisting of over 100 properties and valued in excess of \$6 billion. His prior roles included serving as a dedicated client portfolio manager and as Director of Asset Management, where he oversaw the operations of the Separate Account asset management platform.

Prior to joining Bentall Kennedy in 2002, Scott worked in portfolio and asset management positions at several companies, including GE, Cushman & Wakefield, and Great American Bank. Notable is his role as Vice President of Asset Management for GE Financial Assurance, a GE Capital subsidiary and predecessor to Genworth Financial, where he had responsibility for real estate investment portfolios in both the U.S. and Japan.

Scott holds a degree in Public Administration with a concentration in city planning from San Diego State University. He is a LEED Accredited Professional as designated by the U.S. Green Building Council and has earned both the CCIM and CPM designations. Scott is an active member of ULI and NAIOP.
